

Teacher Reflection

1. Was the phone bank (1-95) useful? Yes No 3

IT HELPED HAVING FLUENT SPANISH SPEAKERS SUPPORT
NON-FLUENT SPEAKERS.

2. How could the phone banks be improved?

MAYBE GROUPS OF 2-3.

3. Are we on the right track towards improving our API score? Yes No

THERE'S A LOT MORE THAT WE CAN DO. (I.E.
TRY TO STAY ON OUR PACING PLAN, DO REAL OBSERVATIONS)

4. How can we raise our score?

- MAKE TEACHERS BE TRUE TO PACING PLANS
- REAL COLLABORATION

Teacher Reflection

1. Was the phone bank (1-15) useful? Yes No

4

2. How could the phone banks be improved?

~~Let teachers know where to find~~

Let teachers know where to find about
the phone banks for ~~the~~ we able to
fully discuss which I had to do with

3. Are we on the right track towards improving our API score? Yes No

4. How can we raise our score?

Rigor

Teacher Reflection

1. Was the phone bank (1-15) useful? Yes No

but could be

2. How could the phone banks be improved?

~~smaller groups.~~

Having more time to select focus students - not enough time to get into together only had time for one phone call.

3. Are we on the right track towards improving our API score? Yes No

Students need to understand their responsibility & expectations. Students think they

4. How can we raise our score?

are doing okay when they are actually 3-4 years behind in skills

- increase discipline
- have higher behavior standards

- uniform consequences for students

- making parents involved and putting their backs against the wall if needed

- Stop pushing kids thru - make

sure they work to know

content before going to next

grade level

Teacher Reflection

1. Was the phone bank (1-15) useful? Yes No

2. How could the phone banks be improved?

- More access to phones
- More Spanish Speakers to help
 - assign a Spanish speaker to each group

3. Are we on the right track towards improving our API score? Yes No

4. How can we raise our score?

- Change Schedule Blocks
- More ~~to~~ Math English
- Remedial electives

Teacher Reflection

1. Was the phone bank (1-15) useful? Yes No

2. How could the phone banks be improved?

3. Are we on the right track towards improving our API score? Yes No $\frac{1}{2}$

4. How can we raise our score?

~~@@~~ We need to reinforce the concepts that ~~through~~ students struggle with in elective classes. ~~Also~~ Also reward the students doing well some way other than with ice cream.

Teacher Reflection

1. Was the phone bank (1-15) useful? Yes No

2. How could the phone banks be improved?

We need to create a list of students to call BEFORE ~~setting up~~ making the phone calls.

3. Are we on the right track towards improving our API score? Yes No

4. How can we raise our score?

Replace electives for students failing with remedial or review courses.

Give incentives for students with outstanding ~~an~~ attendance and high GPAs.
