AGENDA & ORDER OF BUSINESS (03/19/13)

I. Opening Business

A. Calendar--

1. ALC Parent Conferences 03/21

B. PD

1. Updates -- PD Calendar complete (with a variety of presenters!) and sent out. Sandi will touch base with presenters before each. Will likely return new scantron machine for a refund, as the product was misrepresented by the salesperson and doesn't meet our needs. We will seek out other web-based testing/data collection product.

C. Announcements

1. Need to order old-school Scantron forms for finals ASAP. We will recruit someone to help Patty process outstanding orders for supplies (ink cartridges, etc.) and other pressing purchases.

2. TENTATIVE CST TESTING SCHEDULE-- Will be one week with every class meeting twice.

3. Positive Behavior Support-- Kind of like ____, but only once a week. A team of teachers would meet to discuss intervention individualized strategies for improving student conduct. Consider streamlining/documenting via Jupiter grades.

D. Budget

1. Approx. budget projections (E-CAST):

Total budget allocation (general fund): \$1,730,651

Carryover (funds we didn't spend this year):

\$200,000

Title I approx. \$160,000
