

Senior Portfolio Emails

From Jasmine  
To: CBOs

Hi All,

Each spring, graduating seniors at ALC compile the best of their work from their high school experience and present to panels of parents, teachers, and peers. This is a great opportunity for you to get involved and offer any feedback and support to the next generation of community leaders!

I'm reaching out to you as past, current, and potential partners with Academic Leadership Community's Leadership Development Program, to invite to part of our senior portfolio panel presentations this upcoming Thursday, May 23, 2013 from 2:00-4:10pm and 5:00-7:10pm. Refreshments will be provided. There will be other teachers, alumni and parents present at the panel presentations, too.

Please let me know if you are interested and available to be a panelists and please specify the if you are available in the afternoon or evening time frame. If you have any questions, do not hesitate to email me.

Best,

--

Crystal from the American Friends Service Committee, has asked if she can sit in some of the panels for the students listed below? I know that this will depend on when students sign up to present their work.

Hello Jasmine,

Anthony Marsh forwarded information regarding senior portfolio panels. I'm interested in participating in the panels. Do you think it's possible to review students who were previously enrolled in our AFSC HIP/Community Leadership classes? I know this may be more difficult logistically. Please let me know if this is possible.

Below is a list of students I've worked with who I believe are now seniors. Thank you!

Subject: RE: Senior Portfolio Presentation Invitation  
Hi Violeta, As I promised, I sent out the invitation to attend the Portfolio Presentations a couple weeks ago, and only got one person signed up. This was really surprising because last year I got quite a few "Career Journeys" speakers participating. I heard from several who had conflicts. The ones that I haven't heard from, I've sent a personal note, but haven't had any response. I also posted the opportunity on my Facebook page, but haven't had any response from that either. I'm embarrassed to say that I won't be able to attend either because I'll be out of the country. I'll let you know if anybody else steps up, but at the moment, the only community member that has committed to attend is Michelle Merriweather from Starbucks. Sorry, Glenn (310) 963-8823-----

Glenn Barney Subject: Senior Portfolio Presentation

Invitation Hello Mr, Barney, I spoke to Mr. Rowe earlier this month about senior portfolio presentations at ALC. He told me that you played a key role in recruiting community members for the event. I was wondering if you would be able to help recruit us once again. The date of the Senior Portfolio Presentations is Thursday, May 23rd. There are two sessions: 2-4:10pm and 5-7:10pm. Panel members can volunteer for one of the sessions or both. Thanks for your help. Violeta Ruiz Biology/ AVID Teacher Academic Leadership Community High School Los Angeles Unified School District
