Dear Colleagues,

In order to finish preparing the paper work for potential students to get tested for Intellectual giftedness, I need all requested documentation by 3:30pm in my box.

Grades 1 and 2:

- List of students
- Dibels scores
- A teacher's recommendation

Grades 3-5:

I have a potential ^{list} based on data. However, there are students who may show signs of Intellectual giftedness but may not have the CST, LPA, and Math scores. If you haven't done so, please send me a list of students so I could cross check it. Students who did not meet the data requirement, would need a teacher's recommendation.

Thanks again for all your hard work and believing your students are deserving of this important opportunity.

Always For Kids,

Mrs. Howard
