

Student Mathematics Survey

This is NOT a test! The following questions make up an opinion survey. They are meant to gather information about how you feel about math and towards math. Please answer the questions with your own opinion, not what someone else thinks. Read each statement and choose the answer that your feel shows your feeling or opinion about the statement.

* Required

1. **My Name:** *

.....

2. **My Teacher' Name:** *

.....

3. **Today's Date:** *

.....

4. **I am interested in math.** *

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

5. **I am not interested in math.** *

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

6. **I like doing math in school. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

7. **I don't like doing math in school. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

8. **I use math that I learned in school to solve real world problems I face outside of school. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

9. **I don't use math that I learned in school to solve real world problems I face outside of school. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

10. **All the hard work I have put into learning and doing math at school has been worth it to me. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

11. **I have no problem understanding big ideas and strategies when doing math at school. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

12. **Math is too challenging for me to understand it really well. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

13. **No matter how much hard work some people put into learning math, they just won't understand it. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

14. **If someone is struggling or not understanding something in math, they can some time later do well if they don't give up. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

15. **If I don't figure out something in math pretty quickly, then I probably won't understand it well even if I keep trying. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

16. **If I don't give up right way, I will some time later figure out the math. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

17. The following questions ask your opinion about things to do with math in school and being a student. It is very important that you give your own opinion, not what someone else thinks. Read each statement. Decide how much you agree or disagree with the statement and mark the answer.

.....

18. **Being "good at math" or "bad at math" is something about you that can't change. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

19. **I like math schoolwork best when it makes me think hard. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

20. **I like math schoolwork best when I can do it without too much trouble. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

21. **I like math schoolwork that I'll learn from even if I make a lot of mistakes. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

22. **I like math schoolwork best when I can do it perfectly without any mistakes. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

23. **When math is hard, it just makes me want to work more on it, not less. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

24. **When I work hard at math schoolwork, it makes me feel like I'm not smart. ***

Mark only one oval.

- Disagree a Lot
- Disagree
- Disagree a Little
- Agree a Little
- Agree
- Agree a Lot

25. **Imagine that you got a good grade on a math test or a 4 on your report card in math. How true or not true would you think about the statement below: ***

I got lucky.

Mark only one oval.

- Not true at all
- A little true
- Somewhat true
- Very true
- Very, very true

26. **Imagine that you got a good grade on a math test or a 4 on your report card in math. How true or not true would you think about the statement below: ***

I studied hard.

Mark only one oval.

- Not true at all
- A little true
- Somewhat true
- Very true
- Very, very true

27. **Imagine that you got a bad grade on a math test or a 1 on your report card in math. How true or not true would you think about the statement below: ***

I'm not smart at math.

Mark only one oval.

- Not true at all
- A little true
- Somewhat true
- Very true
- Very, very true

28. **Imagine that you got a bad grade on a math test or a 1 on your report card in math. How true or not true would you think about the statement below: ***

I didn't study hard.

Mark only one oval.

- Not true at all
- A little true
- Somewhat true
- Very true
- Very, very true

Page 3

29. The follow questions ask about your motivation for learning math in school. Remember there are no right or wrong answers, just answer as honestly as you can about how true the statement is for you.
-

30. **I believe I will get a 4 on my report card in math. ***

Mark only one oval.

- Not true at all for me
- A little true for me
- Somewhat true for me
- Very true for me
- Very, very true for me

31. **I believe I can do an excellent job in solving math word problems in fourth grade. ***

Mark only one oval.

- Not true at all for me
- A little true for me
- Somewhat true for me
- Very true for me
- Very, very true for me

32. **I believe I can do an excellent job on my math tests in fourth grade. ***

Mark only one oval.

- Not true at all for me
- A little true for me
- Somewhat true for me
- Very true for me
- Very, very true for me

33. **I believe I can fully understand and do the math in fourth grade. ***

Mark only one oval.

- Not true at all for me
- A little true for me
- Somewhat true for me
- Very true for me
- Very, very true for me

Page 4

34. The follow questions are about things that may cause fear or nervousness. There are no right or wrong answers, only the way you feel about the statement.

.....

35. **How nervous would you feel when your teacher is teaching something new in math class? ***

Mark only one oval.

- Not nervous at all
- A little nervous
- Somewhat nervous
- Very nervous
- Very, very nervous

36. **How nervous would you feel when you are about to start your math homework? ***

Mark only one oval.

- Not nervous at all
- A little nervous
- Somewhat nervous
- Very nervous
- Very, very nervous

37. **How nervous would you feel when you are about to take a math test? ***

Mark only one oval.

- Not nervous at all
- A little nervous
- Somewhat nervous
- Very nervous
- Very, very nervous

38. **How nervous would you feel when you are about to start working on a math word problem? ***

Mark only one oval.

- Not nervous at all
- A little nervous
- Somewhat nervous
- Very nervous
- Very, very nervous

39. **How nervous would you feel when you are about to start sharing your strategy to a math problem on the whiteboard in front of the class? ***

Mark only one oval.

- Not nervous at all
- A little nervous
- Somewhat nervous
- Very nervous
- Very, very nervous

40. **How nervous would you feel when asking your teacher for help because you are having trouble with a math problem? ***

Mark only one oval.

- Not nervous at all
- A little nervous
- Somewhat nervous
- Very nervous
- Very, very nervous

41. **How nervous would you feel when asking a classmate for help because you are having trouble with a math problem? ***

Mark only one oval.

- Not nervous at all
- A little nervous
- Somewhat nervous
- Very nervous
- Very, very nervous
